

NOTICE OF HOSPITAL OUTPATIENT FACILITY FEE DISCLOSURE

Your appointment will take place in an outpatient department of Chesapeake Regional Medical Center. The hospital may charge an outpatient facility fee that is separate from and in addition to the bill you will receive from the physician or the provider.

FOR IN-PERSON CLINIC APPOINTMENTS, YOU MAY RECEIVE TWO CHARGES FOR YOUR VISIT:

1. A provider services bill
2. A hospital facility (clinic visit) bill

Expected Fee

We estimate the visit fee to likely range from \$98 to \$290. If you are scheduling other services, including diagnostic, preventive, therapeutic, rehabilitative, and educational services, there may be additional applicable fees. We are providing you with a range of fees and an estimate because the actual amount of the facility fee will depend on the services that are actually provided. The fee could be higher if you require services during your appointment that we cannot reasonably predict today.

Insurance Information

1. The out-of-pocket amount of the facility fee that you will be responsible for paying will depend on your insurance coverage.
2. Insurance companies could impose deductibles, higher copayment or coinsurance for services provided in hospital outpatient departments.
3. If you have insurance, you should contact your carrier to determine your insurance coverage and your estimated financial responsibility for the facility fee, including copayments, coinsurance, and deductible amounts for the outpatient facility fee.

Financial help for your portion of the outpatient facility fee bill may be available. If you need financial help with the outpatient facility bill, please contact our customer service at **757-312-6401**. Financial assistance information is also available on our website or by scanning this QR code: ChesapeakeRegional.com/patients-visitors/billing-insurance.

Receiving services here may result in greater financial liability than receiving services at a location where a facility fee may not be charged. Please check ChesapeakeRegional.com to see if your provider sees patients at other locations that do not charge a facility fee. Contact your insurance carrier to see if your provider is a participating provider and in-network at your preferred location.
